Product configuration: EI22.01

EI22.01: Round optic assembly Ø200mm – AL optic – Neutral White LED – 220÷240Vac - White

**Product code**

EI22.01: Round optic assembly Ø200mm – AL optic – Neutral White LED – 220÷240Vac - White

Technical description

Luminaire for walkways designed to use high visual comfort LED lamps. Ceiling and wall-recessed installation. It consists of an optical assembly with an IP66 protection rating and an outer casing or wall-mounted base to be ordered separately. The optical assembly and base are made of aluminium alloy treated with powder paint, which provides a high level of resistance to weather and UV rays. Plastic closure guard at the rear of the optical assembly. Complete with plastic cable gland and outlet cable. Sodium-calcium tempered satin finish safety glass. Luminaire with no visible screws and an anti-vandal system that uses an opening key to access the rear wiring compartment (supplied in the package). All external screws used are made of A2 stainless steel.

Installation

Wall-recessed installation with a plastic outer casing to be ordered separately. Disposable polystyrene formwork for creating the outer casing housings for installations in concrete walls that are then plastered or finished with bricks so the end surface is flush with the optical assembly. If ceiling-mounted an aluminium base is used to be ordered separately.

Colour

White (01)

Weight (Kg)

0.74

Mounting

wall arm|wall recessed|wall surface

Wiring

Version with 220÷240Vac On-Off integrated ballast.

Complies with EN60598-1 and pertinent regulations

Figure 10 is a 3D plot showing the distribution of light intensity (Lux) in a room with a wall distance of 1 m. The plot shows a grid of light intensity values at different distances from the wall (0 to 3 m) and at different heights (0 to 3 m). The highest intensity is at the center of the wall (0 m distance, 3 m height) with a value of 192 Lux. The intensity decreases as the distance from the wall increases and as the height decreases.

Height (m)	Distance 0 m	Distance 1 m	Distance 2 m	Distance 3 m
3 m	192	51	19	3
2 m	136	50	22	5
1 m	37	23	14	5
0 m	20	15	10	4
