Last information update: November 2024

### Product configuration: S380.H1+X786.H1

S380.H1: Wall-mounted luminaire - STCy0.5 optic - Warm White - Zhaga Down - Deep gray  
X786.H1: Arm L=500mm for wall-mounting - for Twilight Copenhagen - Deep gray

### Product code

S380.H1: Wall-mounted luminaire - STCy0.5 optic - Warm White - Zhaga Down - Deep gray

### Technical description

Outdoor luminaire with direct light street optic for wall-mounted installation. The optical assembly is made of EN1706AC 46100LF aluminium alloy, subjected to a multi-step, pre-treatment process in which the main phases are degreasing, fluorozirconation (a protective surface film) and sealing (with a nano-structured silane layer). The painting stage consists of a primer and a textured acrylic paint, cured at 150 °C, with a high level of weather and UV ray resistance. The 5 mm thick, sodium-calcium closing glass for both optical assemblies is fitted to the product via 3 captive screws on each side. The high IP rating is guaranteed by the silicone gasket placed between the two elements. Product fitted with a multi-pole Zhaga 4 PIN Down socket. Complete with Warm White monochrome LED circuit. The wiring and optical assembly can be opened with everyday tools. The product can be wall-mounted using a linear arm to be purchased separately. All external screws are made of stainless steel.

### Installation

The product can be wall-mounted using a linear arm code X786 to be purchased separately.

### Colour

Deep Grey (H1)

### Weight (Kg)

6.86

### Mounting

wall surface

Complies with EN60598-1 and pertinent regulations

### Accessory code

X786.H1: Arm L=500mm for wall-mounting - for Twilight Copenhagen - Deep gray

### Technical description

Arm L=500mm for wall-mounting for the Twilight Copenhagen family.

### Colour

Deep Grey (H1)

### Mounting

wall surface

Complies with EN60598-1 and pertinent regulations
