**Accessory code**

PT73: 90° L-shaped joint for pendant tracks with cable L=2000

Technical description

90° L-shaped joint for connecting pendant version Filorail tracks both mechanically and electrically.

Mechanical joint consisting of a galvanised steel L-shaped plate to position on the upper part of the track.

Electrical joint consisting of two semi-shells in a thermoplastic material containing contacts that guarantee electrical continuity.

A galvanised steel pendant cable L=2000 with a millimetric adjustment system is included in the code.

Colour

Black (04)
