### Product configuration: 423B

423B: round large body spotlight - super spot

# Product code 423B: round large body spotlight - super spot

## Technical description

Indoor adjustable spotlight with adapter for installation on a three-phase/DALI track. Device made of die-cast aluminium and a front part made of a thermoplastic material. Spotlight double adjustability allows a 360° rotation about the vertical axis and 90° tilting relative to the horizontal plane. Optical assembly consisting of Warm White tone 3000K CRI90 LEDs with OPTIBEAM LENS technology and a well-defined super spot light beam. Dimmable DALI driver built-in to box with a semi-hidden system on track. Option of installing a range of flat accessories including an OPTIBEAM REFRACTOR for varying light distribution, an elliptical distribution refractor, a louver, a soft lens and an outdoor accessory like an asymmetric visor for eliminating stray light dispersion on the ceiling.

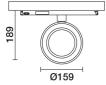

Weight (Kg)

1640

# Installation

On a three-phase/DALI electrified track

#### Colour Black (04) | Black / White (47)

Mounting dali track|three circuit track

## Wiring

Product complete with DALI dimmable components, housed in a semi-hidden box on the track.
