

Filorail

Last information update: July 2025

Product code

PT44: Ceiling/Pendant-mounted LV FILORAIL 48V (16A) track L=1000

Technical description

48V (16A) low voltage track for ceiling, wall and pendant installations. Designed to house dedicated lighting elements fitted with a specific 48V adapter. Made of painted extruded aluminium. The integrated circuit, designed to interact with the DC/DC driver included in the adapters or products, allows the lighting elements inserted in the track to be programmed individually. To obtain continuous lines, direct and corner joints are available with separate codes. Accessory installation systems with separate codes.

Installation

Ceiling, wall or pendant mounted.

Colour

White (01) | Black (04)

Weight (Kg)

0.36

Mounting

Low voltage track

Wiring

A remote power supply is available with separate code. For maximum load details and cabling procedures see the instruction sheet.

Complies with EN60598-1 and pertinent regulations
