**Product code**MXT3: Structural support profile for linear niche lighting - External corner **Attention! Code no longer in production****Technical description**

Support corner profile for external corner. Made of extruded, white finish aluminium. Integration with linear profile (code MXI7- MXI8) allows you to follow the progress of the walls, obtaining a luminous perimeter line without interruptions.

Installation

The profile should be fitted to the wall using screws and screw anchors (not supplied). The areas where the profile and plasterboard meet should then be filled and properly finished off.

Colour

White (01)

Weight (Kg)

0.6

Mounting

ceiling surface

Complies with EN60598-1 and pertinent regulations
